Subject: Appreciation PowerTel Co.

Dear Eng. Mohamed Salama (Power Tel),

We'd like to thanks your company (PowerTel) effort From 2016 till 2021 during working in most Afro Egypt Company Projects with **Huawei** and **Nokia** Projects for **TELECOM EGYPT Co. (WE)** and **Etisalat Co.**

- MSAN Project (install cabinet, Telecom Acceptance and Power Acceptance)
- IMS , LTE, CORE and OSN Projects.
- Power Stations Project.
- Solar Cell Project.
- Etisalat Power Modernization Sites.
Earth Rectification for WE sites.
- Hybrid System.
- Battery Test by DC Dummy Load from 12 Ampere to 2,000 Ampere.
- Activities for Civil and Telecom Field.
- Diesel Generators.
- Electrical & Electromechanical Materials supply.

All projects in All Regions in Egypt that your company implemented with us received thanks from the owner companies, as a result of the presence of a specialized team of engineers and technicians with the highest level of experience, quality of performance and excellence.
